## Premium Quality MICR & LASER TONER CARTRIDGES

FORMost offers a complete quality line of premium and remanufactured toner cartridges. We carry a large selection of MICR and laser toner cartridges to fit all your imaging needs.

### QUALITY:

Our toner manufacturer is one of a very few companies within the industry to combine both ISO 9001:2008 and STMC certifications. Since implementing ISO 9001 into the Quality Management System in 1998, the return rate has decreased annually, ensuring that our products are the most reliable with the highest quality available. Quality assurance is guaranteed!

All quality systems and procedures are reviewed and monitored regularly to ensure precise control and traceability. Before leaving our facilities, every cartridge must pass a rigorous print test evaluation. No product or solution will be delivered to the customer until its quality and conformance to customer specifications is assured.

### VALUE:

Save over 25-40% on the cost of your toner cartridges. Our remanufactured cartridge prices save you money while providing superior performance. We also offer OEM cartridges as well that are competitively priced and stocked ready to ship.

### ENVIRONMENTALLY FRIENDLY:

It is estimated that over half of all new cartridges get thrown away once they are empty. The aftermarket imaging supplies industry is responsible for reclaiming over 42,000 tons of empty toner cartridges each year that would have otherwise been sent to landfills. Remanufacturing toner cartridges helps save energy as well as reduces pollution and waste by minimizing the amount of materials, such as plastic, steel, aluminum and rubber disposed of in landfills. We will pick up your empty cartridges at no charge and return them for future use.

**Your complete Satisfaction is guaranteed  
on all compatible or remanufactured products.**

For a period of one year from the purchase of any product from FORMost, we guarantee that under normal use and storage conditions, your product will perform to your satisfaction.

If you are not satisfied with your product, please contact your FORMost representative. We promise to resolve your problem quickly or refund your money. In addition, we warrant that under normal use and service conditions, your FORMost toner cartridge will not cause damage, abnormal wear, or deterioration to the printer.

In the unlikely event of such an occurrence, we will replace or refund the cost of the faulty supply item and repair, or reimburse you for charges necessary to repair your equipment. Simply provide us with the cartridge, along with a written statement detailing the cause of damage on the service company's letterhead, signed and dated by the company's management and a copy of the work order or invoice. We will quickly process your claim. FORMost liability hereunder shall be limited to replacement, repair, or reimbursement as provided above.

This warranty is exclusive, and in lieu of all other warranties, expressed or implied, including warranties of merchantability and fitness for any particular purpose.
