

PRESSURE SEAL EQUIPMENT: *PS Mailers 7K Plus*

Standard Features:

- Automatic Fold Plates
- 9 Programmed Folds, 2 Custom Folds
- Variable Speed Control up to 9,000 forms per hour
- Automatic Shutoff
- Patented Pressure Seal Technology
- Bottom Feed System allows the user to add forms while processing
- 36" Attached Conveyor Output
- True Doubles Detection Jam Prevention
- Touch Screen Manual & Batch Mode Counter
- Solid Stainless Steel Rolls
- Jog Reverse
- Up to 17" Document Processing

Benefits:

- Perfect for Long Run Applications
- Secure Document Processing
- Reduce Costly Reruns
- Improved Productivity
- Simplicity of Design
- Easy to Learn & Operate
- Compact and Durable without Compromising Throughput.

The **PS Mailers 7K Plus Pressure Seal System** is an integrated folder/sealer with a processing throughput of up to 11,000 forms per hour. By leveraging our patented pressure seal technology, the **PS Mailers 7K Plus** provides for a quieter operating unit with a tighter seal to protect the integrity of your document processing. The **PS Mailers 7K Plus**, offers multiple fold patterns that can process forms up to 14" in length and its adjustment free settings allow for on the fly paper thickness changes. The Direct Current (DC) motor provides the torque needed to accomplish this paper variation and also allows for unlimited duty cycles. The **PS Mailers** also incorporates a bottom feed technology providing for continuous throughput increasing your organizations productivity, while reducing operational costs. The integrated conveyor output system helps move your forms in a seamless paper stream, while maintaining the processing order. The **PS Mailers 7K Plus** with convenient and easy to use controls. The touch pad interface allows the operator the convenience of selecting set-ups and features such as, manual and batch count, and doubles detection. The unique extended hinged conveyor allows for easy storage, making this space saving unit user friendly in any organization. The **PS Mailers 7K Plus** is completely manufactured in the United States and its durability is unmatched in the industry.
