The PSMailers product team introduces the *ISM* Pressure Seal System. Specially designed for small business use. Perfect for companies processing small quantities...as few as 6,500 documents per year, yet accommodates much more as your company grows. No add on parts or additional charges. Adjustable fold plates allow for variations in documents and accommodates custom folds. Low maintenance, quiet.

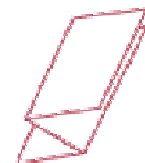

The *ISM's* innovative design offers an affordable desktop solution that seals as it folds pressure seal documents. Capable of processing up to 1,800 forms per hour, the *ISM* incorporates bottom feed technology for continuous throughput increasing your organizations productivity, while reducing operational costs. This remarkable unit offers five standard fold patterns (Z, EZ, C, EC, and V), custom folds, and forms up to 14" in length including return envelope applications.

The PSMailers *ISM* is completely manufactured in the United States and its du-

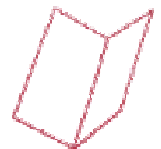

Applications:
